Memo:

Letter No. 2053/142 of 14th December 1887 from the Inspector General of Forests and Plantations in Mysore, submitting for orders certain papers connected with the pension of Gulam Mahomed, late Head Writer of the Plantation Office at Bangalore.

Gulam Mahomed entered the service in the Amrit Mahal Department under the British Govt. on 1st April 1867 & continued his service under that Govt. upto 31st December 1881, on which date

he was transfered to
the Imperial State along
with the Amrit mahal
Cattle and Establishment.
He was thence transferred
on 22nd October 1885
to the Plantation Office
at Bangalore as Head
Clerk, which appointment
he held till 26th August
1886, when he was ordered
to retire on Compensation
Pension in consequence ~~having been from~~
of the abolition of his post
~~under the Inspection Circle~~
during the recent revision
~~in Mysore~~ of the Forest Department.
2. The total qualifying
Service put in
by Ghulam Mahomed
amounts to 18—6—26,
of which — 14—9—"
were under the British
Government and the
remaining 3—9—26
under the Imperial Govt.

20

3 as particularized below.

Service rendered under the British Govt.
as Dy: Collr & Magte on pay Rs 25 from 1st April 1867 to 9th June 1869 —— 2-2-9 yrs. mths. dys.
and ~~—~~ on pay Rs 40 from 10th June 1869 to 31st Decr 1881 —— 12-6-22 yrs. mths. dys.
14-9-"

2. Service rendered under the Nizam on pay Rs 40/- from 1st January 1882 to 26th August 1885 minus the period viz: 10 months during which he was on sick leave —— 3-9-26

18-6-26

3. The Comptroller of Nizam forwarded an extract of the history of Service from the Persian Application of Ghulam Mahomed to the Accountant General Madras for verification of the Service rendered under the British Govt and enquired of him whether he was prepared to accept the Service as also the proportionate share of pension for the same

the Controller of
Military accounts,
Madras, to whom the
matter was referred by
the Asstt. Gl. Madras for
disposal verified the
Service and stated that
as Ghulam Mahomed's
Service is pensionable,
the proportionate share
of pension for the period
of Service rendered under
the British Government
would be accepted.

4. Thereupon the
Comptroller of Imperl
forwarded a Memo: of
calculation to the Controller
of Military Accounts
Madras shewing a sum
of Rupees 10-7-5 (one
one-third
of the pension viz:
Rs. 13-5-4 per mensem
earned by Ghulam Mahomed)
as debitable to the Imperial
Revenues and requested
to

to be informed whether he accepts the change. In reply that officer stated that as Ghulam Mahomed has not paid any pensionary contribution to the British Govt. from & after 1st Oct. 82, he did not appear to have a claim to any portion of his pension from the British Govt. for the period of service rendered under it, prior to his transfer to Mysore on 1st January 1882, and that he was entitled to a gratuity of 12 months pay under Section 113(a) of the Civil Pension Code for his 14 years 9 months' service in the British Government. It was however suggested by the Controller Military accounts that the Resident at Mysore be asked to

obtain the orders of the Govt of India in the case, as it would seem that Ghulam Mahomed & others similarly situated have a fair claim to Jenam which should be debited to the General Revenues & Inspector State according to the rule of Jenm. -Continue.

5. The Inspector General of Forests & Plantations in Mysore on being furnished by the Comptroller of Mysore with the foregoing views & suggestions of the Controller of the Military Accounts Madras, gives a narrative of the history of Ghulam Mahomed's case as given above and

and states

(1) that no settlement was arrived at between the Madras Government and the Nizam's Durbar as regards the pensionary claims of subordinate officials transferred to the Nizam's service with the Amrit Mahal Cattle in January 1882,

(2) that as at the time of transfer Ghulam Mahomed had only to put in 3 months more service to complete 15 years for one-third pension under the British Govt., he could not in such a predicament have been prompted to follow his other Co-officials who went in at once for pension or gratuity for service rendered by them under that Govt. prior to their transfer;

(3) that by reason of the

the unconditional transfer
of the Amir's Imperial
Establishment at least
so far as pecuniary
claims are concerned,
it cannot be said that
by such transfer its officials
lost all their status
in the service of the
British Govt.;
(4) that if it be held
that the Amir's Imperial
officials had, after
their transfer to Anjar,
no status in the service
of the British Government,
and could only have
a claim to any portion
of pension from that
Govt. only by paying
contributions from salaries
drawn while employed
in Anjar, Ghulam
Mahomed would have
to pay half of such
contribution and this
would seem a very

4

had treatment in as much as he was not drawing here any higher pay than at Madras, and more than all, the transfer was not of his own choice;

(5) that if the Madras Govt. had granted 3 months' leave as a grace in consequence of the abolition of the Establishment, he could have obtained & remain there as also employment in Impn;

and finally proposes that if the Diwan considers that the Rules of procedure may be applied to this case and the matter referred to the orders of the Govt. of India as suggested by the Controller, Auditing Accounts Madras, the Resident in Impn may be addressed on

on the subject.

6. In view to obtain the benefit of 3 months service as pace, Ghulam Mahomed should have applied to the Madras Government for the same at the time of the transfer of the Amrit Mahal Establishment. But as he was not at that time so advised as to go in for that benefit it does not seem incumbent now on the Government at such a later period to apply for that indulgence on behalf of Ghulam Mahomed.

7. As regards the question of Contribution deemed requisite by the Controller Military

Account Madras to be
paid by Ghulam Mahomed
I beg to submit that
the Govt of India have
recently in the case
of one Mr Merchant,
who was first employed
in Mysore and joined
the Hyderabad Service
after receiving his
appointment under this
Govt, ruled that Pen-
sions for the Service
rendered under the
British Govt and
Mysore Govt be borne
by both the Govern-
ments according to
the rule of Propor-
tions - Vide letter No
1324/575-5 of 12th May
1886 from the Assistant
to the Resident in
Mysore. The case
of Ghulam Mahomed
appears to be similar to that
of Mr Merchant. The

only difference is that the latter official (Mr. Mandant) resigned his Mysore service to take up the one under the British Govt. in Hyderabad before the Rendition, and that the former official (Ghulam Mahomed) was taken on to the Mysore service when the Amrit Mahal Cattle Establishment was transferred to Mysore after the Rendition. I beg to submit therefore that the Resident in Mysore be addressed to move the Government of India to extend to Ghulam Mahomed the principle followed in the case of Mr. Mandant and to grant the benefit of the rule of Probation

To

The Chief Secretary to the
Dewan of Mysore

Sir,

With reference to para 2 of the Dewan's Proceedings Camp No. 444-45 of the 30th August 1886 I have the honor to submit the marginally noted papers, (to be kindly returned) connected with pension of — Gulam Mahamed, late Head writer of the Plantation office at Bangalore.

1 Service book of Gulam Mahamed.
1 Pension application — Do —

2 The history of his service shews that he was employed from 1st

1st April 1867, to 31st December 1881, in the Madras Amrut Mahal Department and was transferred to the Mysore State along with Amrut Mahal Cattle and Establishment on the 1st January 1882. He has rendered a qualifying service of 14 years, 9 months under the Madras Government and of 3 years, 9 months, 26 days (upto 26th August 1886) under this Government, as verified by the Controller of Military accounts, Madras and the Comptroller of Mysore.

3 The pension due to him at 1/3rd of his pay amounts to Rs. 13-5-4 of which Rs. 10-7-5 are shown to be chargeable to the British Government. The Controller, Military accounts, declines to entertain the charge on the ground that Gulam Mahamed has not paid his pensionary contribution to the British Government from and after 1st October 1882; but suggests that the Resident at Mysore be requested to obtain the orders of the Government of India on the

Case

Case as it would seem that Gulam Mohamed and others similary situated have a fair claim to pension which should be debited to General Revenues and the Mysore State according to the Rule of proportion in the same way as the pensions of officers who rejoined the British Service before 24th October 1882, are debited.

4 It would seem from the Dewans Proceed-
+ Just up 1884 -ings, Camp No. 264-5 dated 28th May 1886, that no Settlement was arrived at between the Madras Government and the Mysore Durbar as regards the pensionary claims of the Subordinate officials transferred to the Mysore Service with the Amrut Mahal Cattle in January 1882. Under the above Proceedings Gulam Mohamed has to prefer his claim direct to the British Government; but is peculiarly situated unlike his Co-officials who went in at once for pension or gratuity for Service rendered by them under the Madras Government prior to their transfer to Mysore. At the time

of

of transfer Gulam Mahamed had only 3 months
& more to serve to have completed his 15 years
Service under the British Government for
1/3rd pension and in such a predicament he
could have hardly been prompted to follow the
others for a gratuity. Seeing that the Aurut
Mahal Establishment was taken over
unconditionally at least so far as the
pensionary claims of the officials belonging
to that Establishment were concerned, it
cannot perhaps be said that they lost all
their Status in the Service of the British
Government by such transfer and in this
view of their case the Service of Gulam —
Mahamed in Mysore became "Foreign
Service" on the 1st October 1882, by which time
he had Completed more than 15 years' Service
Entitling him to one-third pension - His pay
in Mysore was the same as it was in —
Madras and the pension earned by him
before 1st October 1882, which in fact is the

same

Same even now would appear to be wholly chargable to the British Revenues (Vide addition to Section 83 Civil Pension Code) apart from the Contribution question.

5 Should it be held that the Amuntd — Mahal officials had no status in the Service of the British Government after their transfer to Mysore in January 1882, and that they could not retain their claim to any portion of their — pension from that Government except by paying Contribution to it on the Salaries drawn by them in Mysore Gulam Mahamed would probably have to pay half of such Contribution under para 4 of the Dewan's Notification No. 93 of the 31st August 1882. Even this in the case of Gulam Mahamed who was drawing his Madras pay all the time in Mysore, seems very hard considering his transfer was not of his own choice and if the Madras Government had granted him an addition of 3 months Service as a grace owing to the abolition, as it were, of their Amunt. Mahal Establishment and which

Copy sent up with M.S.

which Gulam Mohamed was not advised enough to ask for at the time, he might have obtained pension there as also employment in Mysore along with the others. Another difficulty is that he was found unfit for further service in Mysore and the period of his service here plus 3 years additional service allowed in para 5 of the above — Notification amounts to only 6 3/4 years entitling him to gratuity.

6 Should the Dewan consider that the Rule of Proportion may be applied to this case and the matter referred for the orders of the Government of India as suggested by the Military accounts Madras, the Resident in Mysore may be addressed on the subject.

In reply to your letters noted in the margin, I have the honor to state that as Ghulam Mahomed was not paid any pensionary contribution to the British Government from and after 1st October 1882 (Vide addition to section 83 of the Civil Pension Code), he does not appear to have a claim to any portion of his pension from the British Government for the period of his service rendered under it prior to his transfer to Mysore on 1st January 1882.

Ghulam Mahomed is entitled to a gratuity of 12 months' pay under Section 113(a) of the Civil Pension Code for his service in the Amrut Mahal Establishment prior to his transfer to the Mysore State.

I would, however, suggest that the Resident at Mysore be asked to obtain the orders of the Government of India on the case, as it would seem that Ghulam Mahomed and others similarly situated have a fair claim to pension which should be debited to General Revenues

Mysore 16th Sept. March 1888.

Sir,

I have the honor, by direction of the Dewan, to forward herewith, Copy of this Office Memo in regard to the pensionary claims of Gulam Mahomed, late Head Clerk of the Translation Office, for services rendered under the British Government. As the case is a hard one and deserving of special consideration, I am to request the favor of the Resident moving the Government of India, to extend to Gulam mahomed the benefit of the rule of proportion conceded in the case of one Mr. Merchant, vide your letter No. 1324/5155, dated 12th May 1886.

I have &c.

Chief Secretary

I am to add that the rule under which Contributions are paid by British Officers lent to Mysore, so as to entitle them to a British pension does not seem to apply to a case like the present, in which the application is for a Pension to be charged to both British & Mysore funds according to the rule of proportion.

Respected Sir

I respectfully beg to bring to your notice that I was retired on the 24th August 1886; up to date more than 25 months have elapsed, I see no sign of according sanction to my pension for some time to come, As is the case with others who also share my fate in getting pension.

I hear that the Comptroller may advance a sum equal to or less than the stipulated amount of my pension As I find it difficult to maintain myself in this town in the absence of pay or pension, I beg you will move the Comptroller to authorize an advance till my pension is sanc

Dated, Bangalore, 27th September 1899.

SIR,

1660 In continuation of my letter of No. 1670/4530 dated the 10th May 1899, I am directed to state that the Government of India has no objection to the grant of a pension according to the rule of proportions to Ghulam Mahomed, late head clerk in the Plantation office at Bangalore.

2. I am, however, to observe that it would be convenient if payment of the pension could be made entirely from one source; and with this object in view I am to enquire whether the Mysore Darbar will pay a lump sum equal to the capital value of its share of the pension, thus ending the State's liability in the matter. If the course suggested meets with the approval of the Darbar, the amount

payable should be calculated by means of the table given at pages 350–1 of the Civil Service Regulations.

3. I am also to request that a formal application for pension on behalf of Ghulam Mahomed may be forwarded to this office for transmission to the Accountant General at Madras for verification of the service rendered under the British Government.

4. The book containing a copy of the correspondence relative to the Amrut Mahal Department, which was received with your letter Camp No. 1736 dated the 15th November 1888 is herewith returned.

SIR,

With reference to your No. 5628/398 of the 22nd Instant, I have the honor to return the pension application and Service Register of Gulam Mahmud late Head Clerk of the Plantation Office Bangalore received therewith duly reported on for a pension of Rs. 13-5-4. Of this amount Rs. 10-7-5 is chargeable to Imperial Revenues according to the Rule of Proportions for a Service of 14 yrs 9 mths; which Service has been verified and reported to be pensionable by the Controller Military Accounts Madras in his letter No. 516 of 5th May 1887.

As regards your letter No. 5249/374 of the 15th idem requesting me to state which of the two Courses it is advisable to adopt viz: Whether to pay the proportionate share of pension, or the Commutation value thereof, I beg to state that under section 179 of the Civil Pension Code and Appendix 9 of the Civil Service Regulations the portion of the pension payable by the Mysore State viz: Rs. 2-13-11 per mensem cannot ordinarily be

be commuted, as it exceeds Rs. 20/ a year. If the commutation be allowed by the Government of India assuming that he is able to produce a Medical certificate of good health, the capitalized value will be Rs. 383-15-8 on the date of pensioner's retirement taking his age as 47. As he is however now 51 and the amount of pension small, it might be preferable to pay the proportionate share of pension as usual.

The memo shewing the calculation and apportionment of pension will be found in the file of papers forwarded to you by the Inspector General of Forests with his No. 2053/142 dated 14th December 1887.
